

Paxton Cable Meeting Minute

Meeting Date:	06 -29 -2010	Time/Time	
Location:	White Building	Conf. Call Phone #:	

Committee Members	In Attendance
Scott Wilson	XX
Ray Charette	XX
Dick Bedard	XX

Minutes from 06 -29 -2010

- Dick was going to discuss with Charter an Emergency Broadcast Test at the public safety building
- Review of Panasonic cam and connections for AG- HMC 70. Desk microphone can not be attached to it without an adaptor (male/male). This will require a memory card or conversion box
- Ray needs to move some sections of walking tour of Public Safety Building around
- Ray to get prices on cameras
- Audio-journal device needs to be repaired and that only can be done in Canada. A new unit will cost \$200.
- Additional outlets will be added for access to synch the clocks (pcplus)
- Lighting will be fixed by Steve Burgess
- Valley Communication may be a site we can use for purchasing of equipment
- Another discussion concerning lack of support from the former town administrator
