Request for Certificate of Compliance – 70 Maple Street, DEP File #257-040

Glenn Krevosky of EBT Environmental presented a plan for restoration that was included in the Notice of Intent Application for the restoration and replication of altered wetland resource areas on the property. Mr. Krevosky requested a certificate of compliance for the construction of the house, septic and yard. Mr. Andrew Serrato, owner, present, explained his commitment to completing the work proposed in the notice of intent application, money is being held back from sale of property to complete the work, he is aware that the future order of conditions and any enforcement orders run with the property and will be the responsibility of the new property owner. The Commission discussed the completion of the house, septic, well and yard and that the notice of intent application was placed on the agenda for the September 12 meeting. JR made a motion, DD seconded and all voted in favor of issuing the certificate of compliance for 70 Maple Street, DEP File #257-040.
