**Vote to Accept Conservation Restriction** for 72+ acre parcel of land located off Marshall Street and Lancelot Drive to be acquired by the Greater Worcester Land Trust, known in our Assessor's records as map 13 parcels 3 & 3A, map 19 parcel 2 and referred to as of the Difley Forest Homestead through a Conservation Partnership Grant from the Executive Office of Energy & Environmental Affairs.

Colin Novick of Greater Worcester Land Trust requested the Conservation Commission vote to hold a Conservation Restriction on the property. The Commissioners discussed. Mr. Novick stated the funding was from a Conservation Partnership Grant from the Massachusetts Executive Office of Energy and Environmental Affairs; the property is in active forestry and shall continue; not yet connected to any open space, but hopefully will be in the future and is nearby. MV motioned, JR seconded and all voted in approval to hold a Conservation Restriction for the Difley Family Forest.
