SUBJECT: Officer Appointment

I am pleased to recommend Dylan Havey to be appointed as a full time Police Officer pending his graduation from the Police Academy on December 30, 2022. Dylan has been employed by this agency as a Public Safety Officer since December of 2021. Dylan has a degree in Criminal Justice and has worked full time as a Corrections Officer for the Hamden County Sheriff's Department. I believe Jonathan will be an asset to this agency. Thank you for your consideration.
