

PAXTON, MA

\$500.00 **DRIVEWAY ENTRANCE
PERFORMANCE BOND
CONSTRUCTION

The purpose of this bond is to assure that proper design and construction specifications for driveways in Paxton are met. All driveway entrances must be paved according to specifications from the street fifteen feet or to the property line, whichever comes first. The approach **MUST** be inspected by the Superintendent **BEFORE** paving and **AFTER** completion.

A copy of this form shall be given to the applicant upon payment of the bond. When the applicant is ready for the two inspections (before paving and after completion), he/she should contact the DPW for each such inspection and sign-off. Upon final sign-off, the applicant should bring or mail this form to the Town Services Coordinator who will verify the completion with the DPW and Building Commissioner's office. This form will then be turned over to the Town Accountant to process the return of the driveway performance bond \$500.00.

THE BOND WILL NOT BE RELEASED UNTIL THE DRIVEWAY IS COMPLETED ACCORDING TO THE SPECIFICATIONS AND TO THE SATISFACTION OF THE PUBLIC WORKS SUPERINTENDENT.

Travis Thibault – DPW Superintendent (508) 753-9077
