

Town of Paxton Guide to Kennel Licenses

A license must be obtained before operating a Kennel. Pursuant to State Law, a kennel is a pack or collection of dogs on a single premise, including a commercial boarding or training kennel, commercial breeder kennel, domestic charitable corporation kennel, personal kennel or veterinary kennel. These types of kennels are described below.

Licensure is valid from the date of the license through the following December 31. Contact the Town Clerk (508-799-7347 ext. 1013) if you have any questions about the application process. To complete the application:

1. Fill in the Kennel License Application. Fill in and sign the top half of the Certificate of Good Standing. Fill in and sign the State Dept. of Industrial Accidents Workers' Compensation Insurance Affidavit (If applicable).
2. Proceed to the Treasury to confirm that all taxes and fees have been paid and obtain a sign-off on the Certificate of Good Standing. (Per Article 7 Special Town Meeting 10/27/14 to accept MGL Chapter 40 Section 57)
3. Submit the application to the Town Clerk's Office. Include payment of the fee (cash or check made payable to Town of Paxton). Allow at least one week for processing.

Commercial boarding or training kennel, an establishment used for boarding, holding, day care, overnight stays or training of animals that are not the property of the owner of the establishment, at which such services are rendered in exchange for consideration and in the absence of the owner of any such animal; provided, however, that "commercial boarding or training kennel" shall not include an animal shelter or animal control facility, a pet shop licensed under section 39A of chapter 129, a grooming facility operated solely for the purpose of grooming and not for overnight boarding or an individual who temporarily, and not in the normal course of business, boards or cares for animals owned by others.

Commercial breeder kennel, an establishment, other than a personal kennel, engaged in the business of breeding animals for sale or exchange to wholesalers, brokers or pet shops in return for consideration.

Domestic charitable corporation kennel, a facility operated, owned or maintained by a domestic charitable corporation registered with the department or an animal welfare society or other nonprofit organization incorporated for the purpose of providing for and promoting the welfare, protection and humane treatment of animals, including a veterinary hospital or clinic operated by a licensed veterinarian, which operates consistent with such purposes while providing veterinary treatment and care.

Personal kennel, a pack or collection of more than 4 dogs, 3 months old or older, owned or kept under single ownership, for private personal use; provided, however, that breeding of personally owned dogs may take place for the purpose of improving, exhibiting or showing the breed or for use in legal sporting activity or for other personal reasons; provided further, that selling, trading, bartering or distributing such breeding from a personal kennel shall be to other breeders or individuals by private sale only and not to wholesalers, brokers or pet shops; provided further, that a personal kennel shall not sell, trade, barter or distribute a dog not bred from its personally-owned dog; and provided further, that dogs temporarily housed at a personal kennel, in conjunction with an animal shelter or rescue registered with the department, may be sold, traded, bartered or distributed if the transfer is not for profit.

Veterinary kennel, a veterinary hospital or clinic that boards dogs for reasons in addition to medical treatment or care; provided, however, that "veterinary kennel" shall not include a hospital or clinic used solely to house dogs that have undergone veterinary treatment or observation or will do so only for the period of time necessary to accomplish that veterinary care.

NOTE: Any owner or keeper of less than four dogs three months old or over who does not maintain a kennel may elect to secure a kennel license in lieu of licensing such dogs individually.
