

Weekly Themes Paxton Summer Program 2024 Field Trip additional fee

Let's get the summer started: June 18th – June 21st (dates could change)

Make new friends to start off the summer. Make friendship bracelets, friend picture frames, get to know your fellow campers and summer staff. Enjoy being outside and taking nature walks, playing outside games, water fun, and swimming.

Beach and Camping week June 24th – June 28th

Let us pretend we are camping on the beach collecting seashells and having lots of water fun! We will be making beach and camping crafts, playing beach games, water fun, **Foam party**, and making smore's.

Red, White, and Blue. 4th of July week July 1st – July 3rd (3 days)

We will be celebrating the 4th of July in style. We will be making crafts, games, songs, playing carnival games and have a 4th of July parade. **NO PROGRAM 7/4 & 7/5**

Science/Nature Week July 8th through July 12th

Learn how to make homemade chalk, lava lamps, slime, explore and learn everything nature has to offer. Learn about plants, leaves, insects, and reptiles. **Reptile Show**

Animal/Ocean Week: July 15th – July 19th

Learn about different animals, draw your own pet, make animal crafts, play animal games, and more. Learn about what is in the depths of the ocean. Make ocean fun crafts, fishing, and games. Field trip to **Mystic Aquarium!**

Sport Week: July 22nd – July 26th

Each day we will play and learn different sport games. We will also be doing crafts, games, and outdoor adventures. On Thursday we will be going to a baseball game to see the **Worcester Bravehearts**.

Summer Olympics Week: July 29th – August 2nd

We will be having our own Summer Olympic games and races. Color War: Fun team and individual games all week with a special Olympic game finish party on Friday.

Superhero Week: Aug 5th – Aug 9th

Learn about all the superheroes and what special powers they have. Come dressed as your favorite superhero. We will be making superhero crafts and having our **Paxton superhero's visit us**.
